# ARTWORK & DELIVERY SPECIFICATION

For maximum legibility please avoid light pastel-based colour backgrounds, small text sizes, and thin font styles.

To increase impact, consider using dynamic video content. For event support or stationary campaigns, we recommend using QR codes and AR functionality.

Production assistance services are available upon request through your sales contact.

Please deliver artwork to [artwork@mmediagroup.co.uk](mailto:artwork@mmediagroup.co.uk) at least 7 working days prior to your campaign start date. Being unsuccessful in delivering correct artwork by this date may result in a delayed or cancelled campaign.
